President Leadership Council Members,

You are asked to review and share with your constituents the attached revised regulations:

- **Regulations 4028 - Course Credit**

Regs 4028 Course  
Credit.doc

**Please submit any questions/concerns regarding these revisions to Academic Senate President Elect Janice Tomson by Wednesday, June 1, 2011.**

*Explanation for Revisions*

*The changes to Administrative Regulation 4028 were made so that LBCC could recognize College-Level Examination Program (CLEP) Test Scores and International Baccalaureate (IB) Assessment . The recognition of the CLEP scores will assist our students who are Veterans and the IB scores will help high school students who have completed the rigorous IB program. The acceptance of these scores will also help to align LBCC with the CSU system and what the CSU accepts for general education.*

After PLC review, these regulation revisions will move forward to the June 14, 2011 Board of Trustees Meeting for approval.
