VII. Unfinished Business

A. ASLO members need to follow-up by contacting departments teaching general education courses that have not yet reported their ratings on the GEOs.

B. Update on Curriculum Committee meeting – the GEOs are now official. There was also no initial resistance to the two other motions presented proposing further consolidation of the GEOs.

C. Update on Tricia’s visit to Department Head meeting. DHs were given a “heads up” that they were going to be asked to do assessment in GE courses at the beginning of the fall semester. The group requested a presentation on SLO assessment at the next meeting.

D. Update on Mira Costa College presentations. They will be at Flex Day from 10:30 am-3:30pm.

VIII. New Business

A. To address accreditation, the Academic Council has developed a “tribe” to formulate a plan to satisfy accreditation requirements. Progress toward a plan is needed by the next board meeting.

B. It’s time to revisit our timeline and action plan.

C. Bobbi Villalobos has $33,000 or more Title V money for SLO activities. Ideas for how to best use this resource? Hiring interns or adjunct faculty to manage data or train department SLO specialists?
