IV. Approval of Minutes

V. Public/Faculty Comments (must pertain to item[s] on the agenda)

VI. Reports (information only)

VII. Unfinished Business
   A. Review and revise action plan/timeline for assessing core competencies.
      1. Consider a further consolidation of core competencies (see attachment).
      2. Revisit the issue of revising our core competencies to relocate most of them under a
         GE “program,” leaving “the student’s attainment of his or her educational goal” as
         the sole institutional core competency.
   B. Continue discussion of the Mira Costa assessment model, with the psychology
      discipline as an example.

VIII. New Business
   A. Report on Tricia’s meeting with math department regarding numeric literacy.
      1. Do math problems rise to the level of being critical thinking problems?
      2. Is consumer math a reasonable representation of student math skills?
   C. Report on final meeting of the communication group.
      1. Should “listening” be removed from the description of the communication core
         competency?
      2. Should the ALSO committee make a recommendation that Speech 10, 20, 30, or
         60 (any one of these) be a transfer/AA degree requirement?
   D. How should faculty members’ failure to fulfill contracts with the ASLO committee
      be handled?

If time permits:
   E. Review and Revise CT Skills Chart
